

661208 Sizzix® Bigz™ Die - Village Surf Shack by Tim Holtz®

1. Die-cut from desired material. Assemble basic structure of Village Dwelling (660992) minus window frames, portico, pillars and porch.

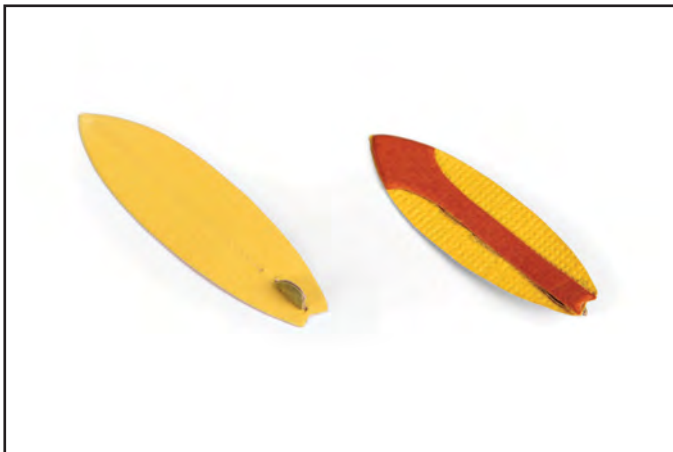

2. Adhere the window frames to the Dwelling.

3. Assemble the porch. Insert the pillars into the slots at each end of the porch and adhere in place.

4. Adhere the porch to the front of the Dwelling. Adhere the portico to the front of the Dwelling. Fold the ends of the pillars so that they are level with the front of the portico and adhere in place.

5. Insert the surfboard skieg into the slot on the bottom of the board and adhere in place. Apply embellishment to the deck of the board.

6. Insert the palm tree into the tree stand. Embellish Shack as desired.
