

1. Die-cut from desired material.

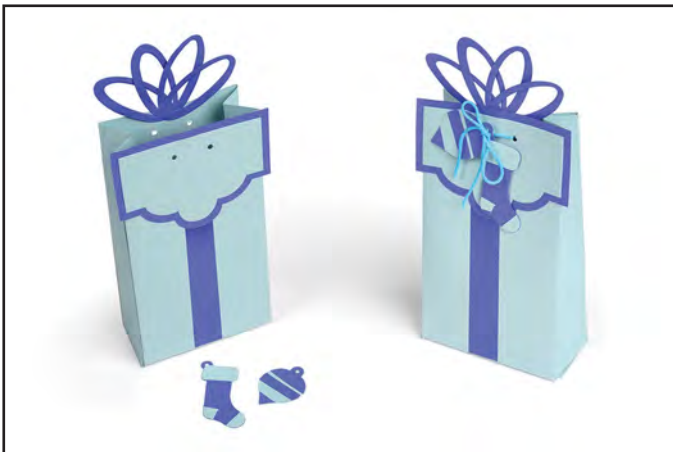

2. Apply adhesive to the long tabs and fold all creases as shown.

3. Adhere the front and the back of Bag together. Fold small bottom flaps inward. Apply adhesive on the square tabs of the long bottom flaps. Adhere flaps together to seal the bottom closed.

4. Embellish front flap and tag shapes.

5. Adhere bow loops to the inside of the Bag. Use string to close the Bag and incorporate the selected tag shapes.
