

661978 Sizzix® Bigz™ L Die - Box, Flat-Fold by Lynda Kanase

1. Die-cut out of desired material.

2. Apply adhesive to the side tabs, and adhere to the bottom panel. Fold all creases toward the center, and then mountain fold the diagonal creases on each corner flap.

3. Adhere the corner flaps to the corresponding edges.

4. Embellish as desired.
